

Message from the Head

Dear Parents, Carers and Friends of Hatchlands Primary School,

Well done Owls for leading the way this year with the first class assembly, definitely demonstrating our value of courage.

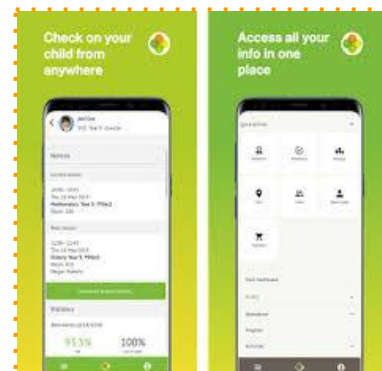

On the subject of values, I was so pleased today when one of our Year 2 pupils came to my office to show me a book she had made at home all about our school values. She was able to speak to me with confidence about each one of them which was lovely to hear. Have a lovely weekend, Moira

Arbor

We hope you are finding the Arbor App useful. Please remember to use it to check that your child's consents and details up to date. You can find out more [here](#).

WELCOME BABY

Congratulations to Miss Fernandes, who had a little boy last week. Mummy and baby are at home and doing well, we look forward to meeting him very soon - welcome to the Hatchlands family!

Reminders

Please remember to name all your child's uniform, we have a growing lost property box, including some winter coats!

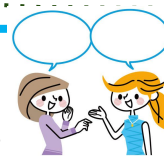

A reminder that children in Key Stage 2 should bring in a snack from home for break time, the free fruit scheme ends at Key Stage One. Please remember our healthy eating guidelines. Thank you.

Attendance Update

- A reminder that new attendance regulations are in place and penalties may now be incurred in certain cases.
- Ms Anderson is not able to authorise any requests for leave in term time, thank you for your understanding.
- Well done to Foxes for having the best attendance this week!

Owls - Year 6 -Sharing Assembly

Owls Class Assembly

Well done to Year 6 who enjoyed sharing their WW2 learning this week in their class assembly. They demonstrated the values of courage and responsibility as they stood up in front of their parents and school peers to share the story of William and Sarah, two evacuees, and the story of their lives during WW2.

AUTUMN ACTIVITY

Make a beetle bucket

You will need

- A bucket, trug, or other durable, upcycled container

- A small craft knife

- Stones

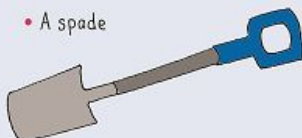

- Bark chips and/or leaves

- Small logs (that will fit in your container when upright)

- A spade

Fill a bucket with rotting wood and leaves and make the perfect home for all sorts of beetles and other insects. Making your beetle habitat in an old plastic container means you can easily find it again to top up or examine the contents (make sure to replace everything straight away after examining).

- 1 Safely cut small circular holes (around 3cm wide) in the sides and bottom of the bucket for beetles to enter and exit.

- 2 Dig a hole just larger than your bucket and sink it into the ground.

- 3 Place some large stones at the bottom of the bucket, then stand some small logs upright on top.

These will rot and make lovely spots for female beetles to lay their eggs.

- 4 Fill the rest of the bucket with bark chips and/or garden leaves, leaving around 10cm at the top to fill with some soil dug from the ground.

- 5 Top the soil with a couple more logs to tempt in beetles - from above or below!

If you'd rather not use plastic, you can simply make your beetle 'bucket' in a hole in the soil.

Perfect for smaller gardens!
