Dear Parents and Carers,

We're delighted to let you know that **Hatchlands** has become a member of The National College – a multi-award-winning online training provider for staff and parents.

### What does this mean for you?

As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly around online safety and keeping children safe online.

### Online safety advice on any topic

Of course, staff will continue to teach children about the risks online. But with the internet so readily accessible, the most effective approach to online safety needs everyone involved, including parents and carers.

That's why you've now got access to ***hundreds of courses, explainer videos and online safety guides*** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

### Sign up is easy

Signing up to the platform is simple. Just follow **https://nationalcollege.com/enrol/hatchlands-primary** and complete your details. Once you're set up, you'll be able to choose '**Parent/Carer'** as your user type and get instant access to all training and resources.

### They're always here to help

The National College has a brilliant support team if you have any questions. Their help centre provides a comprehensive bank of answers to most FAQs, but if you still can't find the answer you're looking for, you can always get in contact with them.

I hope you'll sign-up and make the most of their resources.

Kind regards,

Moira Anderson
